Product labels are typically found in the following locations:

- Files/Storage/Desks: Inside drawers or inside doors.
- Tables: Underside of table.
- Chairs: Underneath chair seats.

When photographing labels for a warranty claim, make sure you capture the order number (see examples below). If you have any questions, please reach out to customer service at [customerservice@scifurniture.com](mailto:customerservice@scifurniture.com).
